

Subject: Worship at 10:15 Sunday morning
Date: March 19th, 2020

Dear Friends and Members of Newton Presbyterian Church,

This Sunday, 3/22, we will celebrate with another YouTube worship service. The link is here <https://www.youtube.com/channel/UCRUxV7Hi9sdPXDQsb1gwwAw> Feel free to share with friends, and virtual friends.

To prepare for the Pastoral Prayer, the Session encourages people to send prayer requests to me, preferably before tomorrow morning at 11:00, when we will be taping some of the material.

The Session recognizes the difficult moment in which the church, the nation, and even the world finds itself. Be assured that we are praying, and maintaining contact to make contingency plans. Do please recognize that our Deacons are available to pray, or for virtual contact.
